SOUTH SOUND YMCA

# WELCOME

## YMCA BEFORE AND AFTER SCHOOL CHILD

South Sound YMCA's before and after school programs combine academics with play, offering a caring and safe environment for all youth. We are driven by our three areas of focus: youth development, healthy living, and social responsibility.

Our unique curriculum has monthly themes that promote project-based learning. Each theme incorporates active games, sports, creative arts, drama, language, science, and cooking activities. We also offer dedicated quiet times to complete homework and engage in math & literacy activities.

## WE WELCOME EVERYONE

We believe every child deserves access to high-quality care. This is why we accept DSHS subsidy and do not limit the number of children in programs who are paying through subsidy programs.

## FINANCIAL ASSISTANCE

The Y is here for you! Our programs are accessible to all regardless of their ability to pay. Thanks to generous community & donor support, we offer assistance to all who qualify.

# FOSTERING THE FUTURE

You can relax knowing that with us, your kids are getting their daily dose of fun, cultural enrichment, and fitness — right at their elementary school!

## WE KNOW CHILD CARE

The Y is the largest child care provider in the South Sound. We provide on-site, high-quality, licensed child care at 32 elementary schools in Thurston and Lewis Counties.

## WE EMPLOY DEDICATED, PROFESSIONAL

Y staff challenge children to be their best. We offer low staff-to-child ratios to ensure the greatest possible interaction and safety for your child. All site directors are 21 years of age or older, have 30 or more college credits in Early Childhood Education (or similar), and have at least two years experience working with children. All staff participate in a rigorous training schedule throughout the year.
