

V.I.P. Tag

How many times can the paparazzi catch the VIP?

Supplies:

- 1 cone per four kids

Set Up:

- Create four groups of four
- 3 kids join hands to form a triangle; two are "bodyguards", 1 is the "VIP"
- The fourth kid is the "Paparazzi" (pestering celebrity photographer) standing outside the triangle
- Place a cone in the center of each triangle

How to Play:

1. The object is for the Bodyguards to protect their VIP from the Paparazzi
2. On signal, Paparazzi attempts to tag this VIP by moving around the outside of the triangle
3. Bodyguards, protect your VIP by rotating and moving them away from the Paparazzi. Keep the cone inside your triangle
4. Bodyguards and VIP must keep hands joined and stay on their feet; otherwise it counts as a tag
5. Reaching through the triangle is not allowed
6. We'll switch roles on signal. Switch VIP and Paparazzi, then turn the Bodyguards into the VIP and the Paparazzi, and, finally switch the last 2.
