

Pretend it is fall.  
You are the last leaf on the tree.  
What is it like to be the only one?

## Last Leaf

I'm the last leaf on my tree.

Way, way down there on the ground,

I see \_\_\_\_\_.

Here comes the wind.

I \_\_\_\_\_.

I can't hold on any longer.

I \_\_\_\_\_.

"\_\_\_\_\_, " I shout.

I'm down on the warm, leaf-covered ground  
with so many leaf friends all around!
