

New Year Hand Print

Supplies:

4 different colors of paint (preferably light colors)

Happy New Year Template sheet

Any color construction paper

Black, Gray, or Brown Marker

1. Give each child the Happy New Year Template sheet. Have the child write their name at the bottom of the page under the poem with a marker.
2. Have the child write the year on the paper. The numbers of the year need to be spread out on the page so that when the handprints are placed on the page, each number has a different color.
3. Have the child use a paint brush to paint their hand a color and have them place their hand on the first number of the year. Have child wipe their hand with a wet paper towel and repeat this process for the last 3 numbers of the year.
4. Glue the Happy New Year template sheet onto a construction paper of the child's choice.
