My Presidential Monument

Component: Art and College/Career Readiness

Time: 20 minutes

Materials:

- 1 or 2 liter soda bottle
- Scissors
- Crayons, markers, colored pencils
- Glue
- Monument Cut Out

Procedure:

1. Discuss how presidents and important people have monuments and statues that are built in memory of them or in honor of the great things that they have done.
2. Students will get to create their a monument for themselves. Give each student the monument cut out, color, and write a few things that they would want to be remembered for if they were President.
3. Have students write their name and the year that they were born under the name.
4. Glue the monument cut out onto the bottle.
