## Bubble Paint Flowers

**Component:** Art

**Time:** 30 minutes

### **Materials:**

dish soap  
acrylic paint (spring colors)  
cardstock  
Straw  
Coloring supplies

### **Procedures:**

1. Mix 1 part (by volume) acrylic paint, 1 part dish soap, and 2 parts water into a container.
2. Blow small bubbles into the container so that the mixture creates several bubbles.
3. Take the cardstock and press it onto the bubbles. You can repeat a couple of times to get the desired shapes and colors.
4. Once the paint mixture is dry, draw on leaves and stems.
