## **Plastic Spoon Flower Cups**

**Component:** Art

**Time:** 30 minutes

### **Materials:**

3 plastic spoons each child

Floral tape

Green pipe cleaner each child, cut into thirds

Yellow pipe cleaner each child, cut into thirds

1 clear 9 oz cup each child

Brown paper shavings

Glue gun and glue sticks

### **Procedure:**

1. Face all 3 spoons inward, forming a triangle with the handles
2. Start wrapping the middle with floral tape and go all the way down
3. Wrap the spoons again, going all the way up to the end of the handle

4. Now insert your green pipe cleaner into some spaces on the tape
5. Insert the yellow pipe cleaner down the center of the spoons
6. Glue the spoon to the bottom of the cup and fill with brown paper
