Sun Handprint

Component: Art

Time: 25 minutes

Materials:

Yellow tempera paint
orange tempera paint
red tempera paint
Cardstock
Paintbrushes
Copy paper

Procedure:

1. Paint hand with tempera or finger paints and make a dozen prints on different sheets of paper.
2. Draw a big yellow circle with paint on another piece of paper. When the handprints have dried, cut them out, leaving a thin white outline. Glue them around the yellow circle.
