

TOGETHER WE CAN BUILD A BETTER US

Your participation in the **Annual Campaign**, makes it possible to continue to address many of the pressing issues our community faces and expand our work to reach more people. In 2017, the **South Sound YMCA** awarded **\$652,327** in financial assistance to individuals and families who needed it the most.

MAKING A DIFFERENCE

4,956

Participants were provided swim lessons, building self confidence and skills in the water.

5,295

Children learned leadership skills and received academic support in YMCA Before and After School Child Care.

48,253

Adults and families used the Y as a resource to give them a place to find balance in spirit, mind, and body.

3,498

Youth learned leadership skills, made friends, and developed self-confidence in day camp, summer camp, and summer resident camp at YMCA Camp Bishop.

2,976

Youth developed new skills and built character in Youth Sports Programs to create and achieve goals with supportive role models.

9,680

Volunteer hours were contributed to the South Sound Y by our community members.

188

Students in grades 2-5 increased their literacy and math skills to help them avoid summer learning loss through the Y's Power Scholars Academy.

HOW YOU CAN HELP

\$100

Gives a child one month of swim lessons.

\$250

Provides a season of youth sports to two kids.

\$600

Allows one student to participate in a full year of Youth and Government.

\$1,200

Provides 8 weeks of summer camp to one youth.

\$2,500

Grants two families in need a one year facility membership.

\$5,000

Sends 15 kids to summer resident camp.

\$10,000

Allows 10 students to participate in Power Scholars Academy.
