SOUTH SOUND YMCA

Concussion and Sudden Cardiac Arrest Awareness Acknowledgement

The South Sound YMCA believes participation in athletics improves physical fitness, coordination, self-discipline, and gives students valuable opportunities to learn important social and life skills.

With this in mind it is important that we do as much as possible to create and maintain an enjoyable and safe environment. As a parent/guardian or program participant you play a vital role in protecting all participants and helping them get the best from sport.

Player and parental education in this area is crucial which is the reason for the Concussion Information Sheet and Sudden Cardiac Arrest Awareness pamphlet you received. Refer to it regularly.

This form must be signed annually by the parent/guardian and program participant prior to participation in South Sound YMCA athletics. If you have questions regarding any of the information provided in the pamphlet, please contact the Youth Sports Program Director for the South Sound YMCA.

By signing below you acknowledge receiving, reading and understanding the information presented in the concussion information sheet and sudden cardiac arrest awareness pamphlet. You acknowledge that if you see or experience signs or symptoms of a concussion or sudden cardiac arrest, you will seek medical attention and will notify YMCA staff/volunteers.
