Private Lessons

Private lessons are a great way to learn how to swim, build fitness stamina or refine your strokes. These are individualized to meet the needs of the student. You and the instructor will decide how to best reach your aquatic goals. The skills and class structure are based upon the YMCA National Aquatic Curriculum.

Because the YMCA has limited pool time and space availability, private lessons are available on a session-to-session basis.

If the needs of the pool change during a session, private lessons may be rescheduled to another time.

Registration Information

To register for private lessons, fill out the attached information form and mail it or drop it off at the Member Service Counter at your next visit. We will then call you to schedule a day and a time for your lesson. You will need to pay in full for all pre-registered lessons at that time. Upon full payment you will receive a coupon for each lesson purchased. Please fill it out each coupon completely and deliver it to your instructor at the start of each class.
