Parents and players -

Please show up at your game site 15 minutes before game time.

Reminder about skates:

The Skateland floor was refinished prior to the start of this season. Due to this, Skateland will be checking and also asking that the coaches to check all skates and equipment for any sticking out bolts-buckles or toe stops that are worn with no rubber and have screws showing. Also any wheels that are pitted or worn with any kind of gravel etc in the wheels will not be allowed. Lots of time if the skates are used outside a lot, they are no longer rink approved.
